

Junior Architect / Designer

NYC design firm seeks talented, enthusiastic, and self-motivated Architect / Designer to join our team. Kostow Greenwood Architects is a dedicated studio focused on work in the performance arts, media, broadcast, and real estate development industries. We encourage continuing education for all of our team members, provide NCARB/IDP experience fulfillment, and offer paid time to take ARE exams.

The ideal candidate must meet the following qualifications:

- 1 to 3 years of office experience with design and construction documents
- Professional degree in Architecture from an accredited institution
- Technical expertise, specifically office experience with AutoCAD and Revit
- Other skills: 3D modeling (Rhino, Sketchup), Illustrator, Photoshop and InDesign, etc.
- Ability to work as a team member in all phases of project development: concept design through construction administration
- Expected to be resourceful in completing their project tasks independently or with moderate supervision from senior staff members
- Reliable, focused, creative and detail-oriented
- Strong graphic, verbal, and written communication skills

KGA offers a competitive benefits package including health care (medical, dental, vision), 401k, paid time off including vacation, personal days, and holidays. In addition, this is a hybrid position, with 3 days in-office and 2 days remote. Dog friendly office. The expected salary range for this position is \$60,000 to \$80,000. We will consider relevant experience, qualifications, and other job-related factors in determining compensation.

All qualified applicants will receive consideration for employment without regard to race, color, religion, age, gender, national origin, gender identity, sexual orientation, protected veteran status, or disability status.
